CITY TREASURER,
NEW BEDFORD,
MASS.

INTRODUCTORY.

In offering the tenth edition of the New Bedford Directory to the Public, we desire to return our thanks for the many kind favors shown by those of our citizens, who have aided our efforts to render it accurate and complete.

Great care has been bestowed upon the list of names embraced in the Army and Navy Register, and much more difficulty has been found in correcting that than in the directory proper. Our original intention was to have given a list of the various organizations which have gone from the city, with their glorious record; but this was found impracticable, both from the space it would occupy and because that record is not yet finished. The information which we have procured on this subject, however, will probably be made of use, when at the close of the war the proper time arrives to give due credit to our gallant citizens, who have so gloriously won the right to have their deeds recorded.

We cheerfully recommend a careful study of the advertising pages.

A. TABER & BROTHER.

ARMY AND NAVY REGISTER.

The following list of New Bedford men, who are or have been in the army and navy, has been compiled with great care from a canvass of the city, the records in the city offices, the Boston Almanac for 1862 and 1863, the files of the New Bedford Standard and Mercury, and other sources, and contains all the information that could be obtained up to the 1st of January, 1865. It is hoped that it will be found to be full and accurate. The latest rank and regiment only are given, and the deaths that have occurred, so far as they could be ascertained.

The 6th and 10th heavy artillery are designations of companies. All other numerals refer to regiments unless otherwise specified.

"A Rousing Book of Adventure."

THE GOLD HUNTER'S ADVENTURES;

OR,

LIFE IN AUSTRALIA.

BY A RETURNED AUSTRALIAN.

One Volume, 564 pp.

Hair-Breadth Escapes, Perilous Encounters, Dangerous Expeditions, Bloody Battles, Desperate Deeds, and Ludicrous Situations among Bushrangers, Convicts, Ticket-of-Leave Men and Miners, on the Road, in the Bush, and at the Mines, in the Australian Land of Gold.

NOTICES OF THE PRESS.

"This is a 12mo volume, containing 564 pp., of compactly printed matter, and for the amount of reading in it, is sold at a price considerably below the ruling standard. It is a book for the million, and those who enjoy stories of adventure will find plenty of that article in its contents. Several spirited illustrations whet the reader's appetite of the contents for the book."

"The style is sparkling, and the illustrations, by Champney, cannot be excelled."

"It purports to narrate the experience of two Gold Hunters, who, after trying California mines, migrated to Australia quite early in the gold hunting excitement which affected that country, and among convicts, snakes, kangaroos, stockmen, bushrangers, bullies and outlaws, found ample materials for a lively and stirring book."

"We wish we knew who wrote this book. We surmise it to be a little fact and much fiction, but we confess the fiction to be much like fact, and a good deal better. The writer is a painter, and that from life. Of course he makes up his story, a good deal of it, but he makes it so well, and his heroes all come out so nicely, and portrays everything, each danger of flood and field and woods, so to the life, that we confess ourselves taken back to our boy days again when Munchausen and Gulliver were the most interesting and celebrated personages of history. No man can well resist its enchantments who loves the descriptions of "Border Life" by Scott and Cooper, in their novels."

For sale by all Booksellers, in the Cars and on the Steamboats, and sent by Mail postpaid, on receipt of price.

TWIN BOYS! TWIN VOLUMES!

Soldier and Sailor,

Defenders of the Flag!

ON

LAND AND SEA.

Oliver Optic's brilliant narrative of adventure and peril.

THE SOLDIER BOY;

OR, TOM SOMERS IN THE ARMY.

BY OLIVER OPTIC,

Author of the Boat Club, All Aboard, Now or Never, Poor and Proud, Try Again, Little by Little, Riverdale Stories, Rich and Humble, In School and Out, Watch and Wait.

1 volume, 16mo, handsomely illustrated, price $1.50.

Rich in incidents of personal daring and self sacrifice as this war has been, there is nothing on record that will exceed in interest the stories of these noble lads, who, actuated by a spirit of patriotism, solely went forth to fight the battles of their Country, one in the field the other on the sea, twin sons of a patriotic mother equally devoted to their country, each selects that branch of the service most to his liking, and while one "follows the drum" in the

ARMY OF THE POTOMAC

through all its varied fortunes, the other swings his hammock on board one of those noble ships whose brave story has marked the American Navy as the first in the world, and made memorable, the waters of Roanoke Island,

THE MISSISSIPPI OR THE GULF,

As noble examples for the young to imitate.

The Soldier Boy and the Sailor Boy cannot be excelled.

JOHN E. ALMY.

Hardware, Stoves and Agricultural Tools, and Petroleum Oils, agent for UNIVERSAL CLOTHES WRINGER, the original and only genuine and reliable Wringer before the people. It combines more strength of frame, capacity for pressure, and power of action, than the many apologies for Wringers, all put together, that the recent public demand for "*a machine*" seems to have called into what has proved to be an unsatisfying and temporary existance.

We invite a fair comparison with any other wringer, and will show, by positive proof and actual demonstration, that the Universal Clothes Wringer will *finish* work that "Self-Adjusting" Machines and other cheap apologies for Wringers have left undone, and will easily press water from articles on which they have done *their best*. If you don't believe it, try it.

We ask none to buy without a thorough test, for which abundant opportunity will be given to all.

All the losses in this Agency for the last thirty-four years, amounting to upwards of

BRISTOL COUNTY

MUTUAL FIRE INSURANCE CO.

Office No. 44 North Water St., New Bedford,

The Bristol County Mutual Fire Insurance Company insures against loss and damage by fire on buildings only, not exceeding the amount of three-fourths of the value of said buildings.

The present amount of property insured by this Company is about

$5,000,000.

Each person or company, by its agent, insured at this office, becomes, *ipso facto*, a member of the corporation during the time for which he is insured.

The insured is required to give a deposit note for such rate of premium on the amount insured as may be agreed upon, and to pay at the time of receiving his policy 5 per cent. on the amount of said note. The following case will explain the principle: A policy is made on a dwelling-house for $2000, for seven years, at a premium of eight per cent. which is $160, for which sum the insured gives his premium note; he pays cash five per cent. on the note, $8.00. In case losses should exhaust the amount received on the premium notes as aforesaid, then the insured will be liable to an assessment on said notes.

The cheapness of insurance in this company is shown by the fact that for the last seven years the cost has been only

10 3 1-0 Cents on $100 per Annum,

Which includes all expenses and costs for collecting assessments.

Blank forms of application for insurance may be had at the office. We have no unadjusted losses.

We desire to caution the public against parties pretending to be *travelling agents* of the company. No such agents are employed. Persons desiring reliable information concerning our affairs can always obtain it of the officers of the company at our office, No. 44 North Water Street.

The success of the company in avoiding litigation is worthy of remark, it never having been a party to a suit in the whole thirty years of its existence.

DIRECTORS:

EDMUND GARDNER,	SETH K. AIKEN,
